 - e. Amateur WJL/WTC
 - f. Amateur Halter
 - g. Youth WJ/WT
 - h. Youth WTC/WJL
 - i. Youth Halter
 - j. Overall Youth 10 and Under (Halter and Under Saddle combined)
- 5.) To be eligible for the Year End High Point **program, competitors/horses must have competed in a minimum of two GHSA recognized shows. Verify with Show Management at the beginning of the show if the show is GHSA recognized and you are a current member.**
- 6.) If saddles are awarded, then only one award can be won by a horse/rider combo. If a second award is won by the same person, the rider/handler will receive the award won in division with lesser horses. If second award is won then it will move to the next place horse/rider combo or horse (in Open) in that division as a Reserve award.
- 7.) Members **MUST** work & document **2 work segments per exhibitor/horse pair, per year.** Ex: You show 2 horses and are competing for a year end high point with both, then 4 segments total are required.
- 8.) A maximum of three shows/six sets of judge's points will count towards the year end points calculation. If a member acquires more than the minimum sets of points, we will use the best sets to calculate the year end high point. This will be a "set of points from a show", meaning both judges combined, we will not use individual judges results from different shows. This will level the playing field if members can only make it to three shows and reward the best performances of our members.
